Kohler Parallel Single Function

2.5 Gallons Per Minute, High Pressure

Katalyst® Air-Induction Technology: Maximizes the air/water mix for a powerful, even flow. Optimized sprayface with 66 nozzles delivers a more focused coverage of large water droplets. Minimizes wasteful overspray and increases cleaning and hair-rinsing performance.

MasterClean®: MasterClean sprayface features an easy-to-clean surface that withstands mineral buildup.

Covered under Kohler's limited lifetime warranty
Constructed of brass and plastic ensuring durability and dependability
