

Premium Vinyl Patio Door

Lifetime Limited Transferable Warranty

Home Guard Industries, Inc. warrants to the original purchaser, that this product will be free from defects in material and workmanship for as long as you own and reside in the home in which the products were installed as follows:

BASIC PATIO DOOR UNIT - LIFETIME TRANSFERABLE

The ridged vinyl in the Premium Patio Door (unpainted) is warranted against chipping, cracking, peeling, pitting or blistering for as long as you own and reside in the house in which these products were installed. This limited warranty does not apply to any damage caused by improper installation, accident, fire, flood, explosion, misuse, abuse, vandalism or other external forces.

EXTERIOR PAINT FINISH WHEN APPLICABLE - 15 YEAR

Painted exteriors on all Home Guard Patio Doors are warranted against cracking, blistering or peeling for a period of 15 years. Fading and natural discoloration may occur slightly as a result of exposure to sunlight and are not covered by this warranty.

HARDWARE - LIFETIME

Moving parts are warranted for as long as you own and reside in the house in which the products are installed. This limited warranty does not apply to any damage caused by improper installation, accident, fire, flood, explosion, misuse, abuse, vandalism or other external forces.

PATIO DOOR HANDLES - LIFETIME / 1 YEAR

Home Guard Industries, Inc. further warrants all Premium Patio Door handles with a Bright Brass, Satin Nickel, Aged Bronze or Flat bronze finish against tarnishing for as long as you own and live in the Home in which the product was installed. Patio door handles with a painted finish are warranted against flaking, checking, blistering or peeling for a period of one (1) year from date of installation.

INSULATED GLASS - LIFETIME

The sealed insulated glass unit is warranted against defects resulting in material obstruction of vision from film formation caused by dust or moisture in the dead air space of the sealed unit for as long as you own and reside in the resident in which the windows are installed. Should the glass fail, Home Guard Industries, Inc. will provide you with a replacement sealed glass unit at no charge. Upon sale of the home, and if a warranty transfer took place (within 60 days of the sale), the new homeowner will be covered for ten years from original window purchase date. Should the glass fail after year ten, as described above then Home Guard Industries, Inc. will charge a fixed percentage of the companies selling price for insulated glass at that time.

GLASS BREAKAGE - LIFETIME

Should for any reason the glass break or crack in your Premium Patio Door (when installed in residential buildings only) a sealed unit, exclusive of sash members, will be forwarded at no charge to the distributor nearest to your home. It is then the responsibility of the consumer to pick up the new sealed unit and install it in the existing sash members. This lifetime glass breakage warranty does not apply to acts of God (i.e. flood earthquake, etc.)

INTERNAL BLINDS - 10 YEAR

Internal blind units are warranted against seal failure and defects in material and workmanship for a period of ten (10) years from date of installation.

FIBERGLASS SCREENS - LIFETIME

The materials used in manufacturing screens are warranted for as long as you own and reside in you present home. This warranty does not apply to any damage caused by improper installation, accident, fire, flood, explosion, misuse, abuse, vandalism or other external force. The warranty shall be limited to providing you with new screen material and/or frames or spline for any manufacturing defect in the screen.

TRANSFERABLE WARRANTY

To transfer this warranty from the original homeowner to the second homeowner, see the attached transfer certificate. The warranty on the patio door unit is transferable by the original purchaser to subsequent purchaser provided Home Guard Industries, Inc. receives the **Warranty Transfer Certificate** within sixty (60) days after the date of transfer of ownership, and provided such notice is accompanied by a check or money order in the amount of \$100.00 per home.

COLOR

The vinyl will maintain its manufactured color closely as it ages, however, atmospheric pollution and residues deposited on the patio door can temporarily discolor it. Some color variance may occur due to exposure to ultraviolet light and these atmospheric conditions. Periodic cleaning of the exterior vinyl surfaces with a mild soap or detergent will prolong the original color and protect the vinyl from excessive color

COMMERCIAL APPLICATIONS

If the building in which the Home Guard Patio Door is installed is owned by an entity other than an individual resident owner, whether by corporation, partnership, an unincorporated association, or by a government or public entity including without limitation, a church or school, then the warranty period shall be a Twenty (20) year pro-rated limited warranty from the date of window installation, applicable to all window parts and components, under the pro-rated basis of this warranty.

PROCEDURE

The procedure for obtaining performance of the warranty obligation is simple. If any part of the product described above should fail, just forward that part prepaid to our corporate headquarters. Upon inspection of this part to make sure it failed because of manufacturing defects, a new replacement part will be forwarded to you at no charge. However, some parts are impractical to ship to our factory for inspection, such as insulated glass or structural vinyl members of the product. Please consult Home Guard Industries, Inc. customer service department for a determination as to whether or not sash components need to be shipped to our factory. The manufacturer reserves the right for final approval on warranty claims involving such components. A visual inspection by an authorized representative of the manufacturer may or may not be required. If an inspection is necessary and substantiates that the material has failed, and is covered under the warranty, a replacement part will be shipped to our designated distributor closest to you at no charge, except for the freight involved. Then the obligation of the consumer is to pick up the part at our distributor's location. The same procedure pertaining to shipment of parts to a distributor at no charge except for freight and consumer's obligation to pick up the part at our distributor's location, applies even when an inspection of the component is not required.

Materials covered by the terms of this limited warranty will be provided at no charge. However, there could be a labor service charge billed by the installing distributor. Due to technological product advances, replacement part(s) supplied will always be of equal or greater value than the original part they replace. As long as you live in your home, limited warranty is made in lieu of all other express warranties and extends only to the original consumer's purchase, in no event shall the manufacturer be liable for special incidental or consequential damages, or for any delays in the performance of this warranty due to circumstances beyond its control. **This warranty does not apply to acts of God (i.e. Flood, earthquake, etc.) or acts of civil unrest (i.e. War, riots, etc.)** NOTE: **Patio Doors which exceed the manufacturer's specified size limitations are not covered under this warranty.**

CONDENSATION

Condensation on any vinyl patio door is the natural result of excessive moisture in the house and does not indicate a defective or faulty installation. It is even possible for frost to appear on a window as a result of excessive condensation in cold weather. No patio door can prevent condensation if the humidity level in your home is too high.

CONDENSATION IS NOT THE RESULT OF A DEFECTIVE OR FAULTY INSTALLATION IT IS THE RESULT OF EXCESS HUMIDITY. Additional information concerning condensation is available upon request.

CAULKING

On some installations caulking is used to seal the product frame or trim packages against water and/or air penetration. Caulking is not considered part of the product, and therefore is not covered under this warranty. Caulking is normally considered a maintenance responsibility of the homeowner. **NOTE:** Some states do not allow limitations on how long an implied warranty or the exclusions and limitations of incidental or consequential damages lasts, so the above limitations or exclusions may not apply to you. This lifetime limited warranty may be validated by having the Registration Certificate signed by the original Purchaser-Property Owner and the dealer and mailing it to Home Guard Industries, Inc. within (30) days of the completed installation.
