# BENEFITS OF GREEN ECO SOLUTIONS

---

## APPEARANCE

Sampled from actual stone and granite slabs, we provide a flawless, high-resolution visual reproduction of beautiful natural stones.

## VALUE

Green Eco Solutions costs significantly less than natural stone, and often much less than other bathroom remodeling products.

## INSTALLATION

Our projects can be installed quickly and easily over a variety of substrate materials, allowing skilled installers to transform a bathroom in as little as one day.

## VERSATILITY

Our products can be easily adapted to bathrooms of all configurations, from clean and simple to one-of-a-kind designs, thanks to the ease of on-site customization.

## MAINTENANCE

With full-wall panels and no grout lines, our shower and bathtub systems are extremely easy to clean and maintain for a lifetime of use.

## HYGIENE

Sampled from actual stone and granite slabs, we provide a flawless, high-resolution visual reproduction of beautiful natural stones.

## SELECTION

With an adapting selection based on contemporary design trends, these options are available in a wide variety of stone patterns, offering a large selection of colors and tones to choose from.

## WARRANTY

Our products are backed by a Lifetime, 100% transferable warranty.

# SIMTILE WALL PANELS

---

Our SimTile wall panels combine the designer look of tile with the easy maintenance GES. Avoid the time-consuming, constant hassle of cleaning difficult grout lines and get the custom look of a tiled tub or shower surround in as little as one day.

SimTile wall panels are available in the colors shown in both 3"x6" and 10" x 20" tile patterns. Our new White Acrylic SimTile is available in a 3"x8" Subway tile pattern.

# INTRODUCING **DIMENSIONS** SimTile

Upgrade your shower's appearance with **Dimensions SimTile**, designed to replicate the timeless look of tiled shower walls.

Our beautiful **Dimensions SimTile** wall panels feature realistic grooved grout lines that closely resemble traditional tile, providing a classic tile look without the installation and maintenance headaches that come with real tile.

Our panels are non-porous and easy to clean, so you never have to worry about scrubbing grout lines again.
