Shower Enclosures

Levity Shower Enclosure

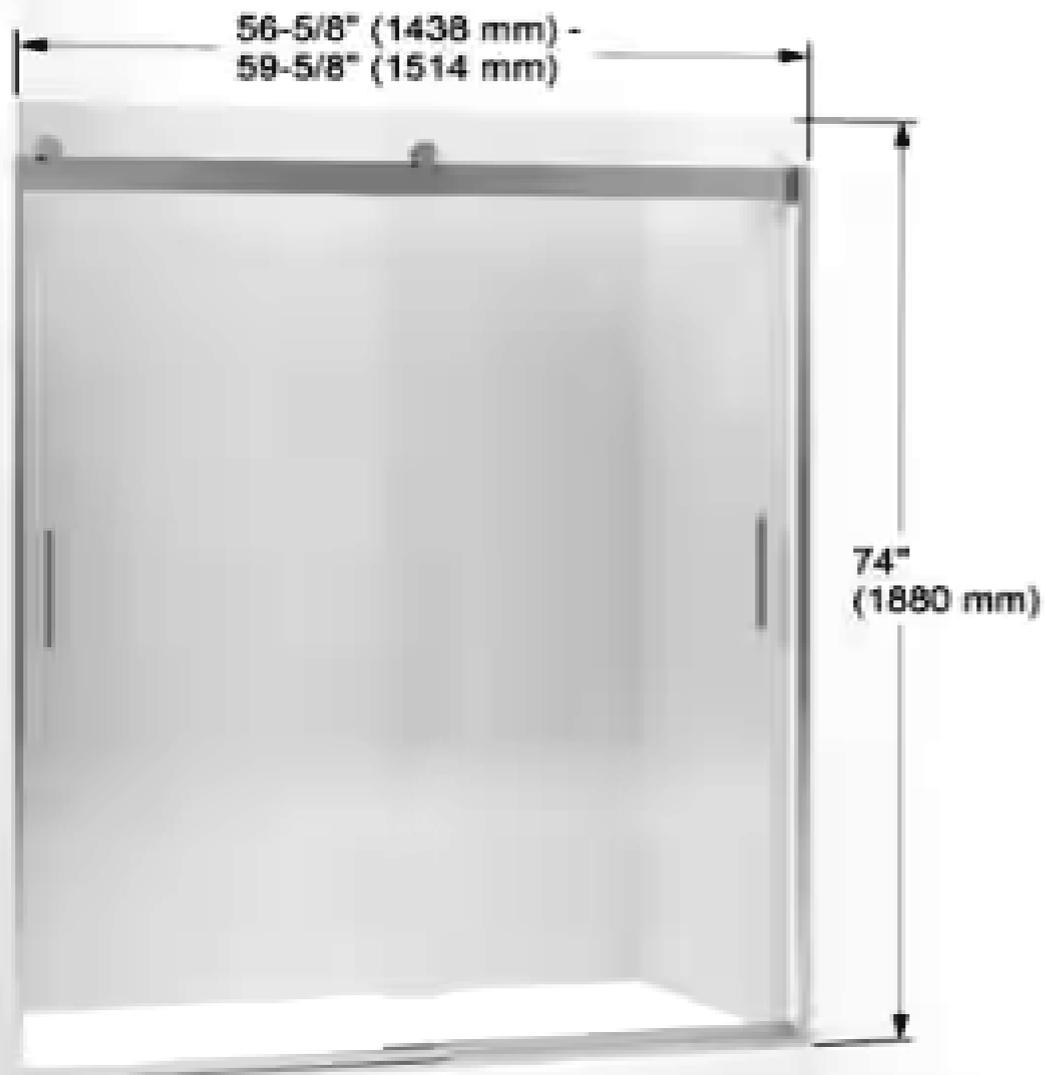

Semi Frameless Sliding Shower Door w/ Blade Handles

- Bringing new technology and sleek style to the contemporary bath, Levity shower doors feature an innovative bypass system and roller design that provide an amazingly smooth, quiet sliding action for a difference you can feel.
- Levity's unique design, including fully by-passable glass panels, makes installation easier than ever and allows for adjustability while the door is hanging.
- Vertical blade handles complement Levity's modern minimalist look, creating an open, inviting space for showering.

Features

- Frameless, 1/4 in. thick crystal-clear tempered glass
- Innovative roller design simplifies installation and provides out-of-plumb adjustability while installed
- Cushioned center guide provides quiet sliding action
- Vertical blade handles accentuate the contemporary style
- CleanCoat+ repels water; prevents dirt and minerals from collecting, making it easier to remove hard water spots
- Tempered glass ensures enhanced safety and durability

DELTA Shower Enclosure

Traditional Sliding Shower Door w/ Mandara Handles

- 1/4 in. (6 mm) certified tempered glass shower door
- Easy Clean: Wipe glass clean with a damp cloth and squeegee after use to maintain clean glass doors
- Smooth Glide: Center track guide comes standard on all doors for smoother, quieter slide
- Tracks crafted from anodized aluminum for strength and corrosion resistance
- Sliding doors can be opened from left or right with full by-pass (both panels slide)

The Traditional door track is a classic look with a twist - this shower door design has a reversible top track that will give you two distinct style choices. Two timeless designs in one give you options without another overhaul. Standard 6mm glass panels provide an update you can be proud of at a practical price point.
